IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicants: Cecil Kost et al.	Attorney Docket No.: MMSI121562
Application No.: 10/674,904	Art Unit: 3622 / Confirmation No: 8999
Filed: September 30, 2003	Examiner: Daniel Lastra
Title: DRUG SAMPLE FULFILLMENT ARCHITECTURE	

DECLARATION UNDER 37 C.F.R. SEC. 1.131

Seattle, Washington 98101

July 14, 2006
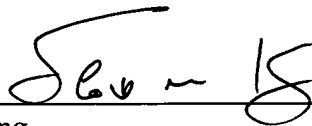

TO THE COMMISSIONER FOR PATENTS:

I, Scott M. King, declare and state:

1. Pieces of information were gathered pertaining to the work connected with the software cited by the previous affidavit under 37 C.F.R. § 1.131.

2. Some pieces of information were extracted from the source code tree representing versions of the software, each piece of information bearing a date between July 27, 2000 and May 22, 2003. See **Exhibit C**.

3. Some pieces of information include bi-weekly software engineering status reports among members of a team who worked on various versions of the software, each report bearing a date between July 27, 2000 and May 22, 2003. See **Exhibit D**.

4. Some pieces of information include pieces of e-mail among members of a team who worked on various versions of the software, each e-mail bearing a date between July 27, 2000 and May 22, 2003. See **Exhibit E**.

MMSI121562AM10.DOC

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that the making of willfully false statements and the like is punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Executed at ___SEATTLE___ (city), ___WA___ (state), this ___14TH___ day of ___July___, 2006.

_____
Scott M. King
